“ RIP My Dear Ole Friend Boo, I Loved You Like A Brother. We sure had a lot of great times and memories together dating back to the Lee County Hwy 58 Project with Clement Brothers. I don't even know where to begin. What a true friend you always were since that job back in 1989 to 91, then onto Salt Lake City Lil Del Dam Project and Spring Hollow Reservoir Dam and Cherokee NC Rock Crushing projects. And all the good times we had with our Ole friend Tom Freeman. I sure miss everyone from these jobs we were on. My heart goes out to all Boo's Family and Friends, I'm thinking of You All and So Sorry for the loss of Boo. He will be Greatly Missed by all who knew him.

“ Boo was one of the kindest people I ever met. When my dad's health started to decline, Boo would go out of his way to call him and take him on short trips when he was up our way. My dad, Tom Freeman, loved Boo and Jacque as if they were his kids. God gained one amazing angel. Jacque, Emily, Adam and all of his family will be in my prayers.
