“ I remember when i was younger every time i would go to Virginia i would not tell anyone but wherever i went he would call and ask me. I asked how he knew i was there cause i just walked in. He wkuld always say a little birdie told him. He never told me who the little birdie was.

“ Don is one of the sweetest, dearest cousin. He always greeted you with a a smile and a lot of times a hug. I grew up with him. After leaving Big Stone, when we went back, we always went to visit him and his family and he was always very excited to see me. I loved him very much and will miss him. The last time I saw him was two years ago and He was so glad to see me. I pray for his family ,especially Jimmy who is going to miss him a lot, but I know Joe will continue to take good care of him as he has done for both Don and Jimmy for many years. I thank you Joe and God Bless you for doing what you have done for them. They are very blessed to have you. When I saw them, they would tell me all about you and the things you did for them.
