“ I am so sorry to hear of Gail's passing. She was a beautiful soul! I went to school with Gail from the first grade through our senior year. She was always so kind and loving to everyone. She had a great sense of humor and a lovely laugh!. The world has lost a wonderful lady but heaven has gained an angel.

“ Sandy, I am so sorry for the loss of your beloved sister. Heaven gained another angel when God called her home. Take comfort in the fact that this separation is only temporary and we can see Gail again in a better life! You will be in my thoughts and prayers during this difficult time! Love you and you know how much I loved Gail!

“ My sweet cousin Gail. We had so many fun times together growing up and as adults. I don't remember this but you told the story to me many times of me and Sandy throwing rocks at each other when we were little. I don't remember this and it doesn't sound like something I would do.....lol. I also recall the time you and I went to Gatlinburg. It was cold and around Christmas. Everything was like it was straight out of a book. It was cold and people everywhere but it was so much fun. When I am in Gatlinburg I always think of you. Then the times I stayed with you at your apt in Weber City. You had this crazy bird and I think you named him Burford. Loud little stinker. You were a bridesmaid in my first wedding. You kept telling me you were going to stuff my wedding dress in my crack before I walked down the aisle. I'm surprised you didn't. I will treasure these memories. You were a special person and I am thankful for having you as my cousin but most importantly my friend. Give Fred, your mom and dad a big hug for me. Give my daddy a big hug and kiss and tell him I will see him soon. I love you. Fly high.
