“ YOU WERE AN AMAZING WOMAN WHOM I WILL ALWAYS REMEMBER

“ Helen was a special aunt. I remember going to town with her in a '57 Chevy that she didn't drive very well, because the gear shift was next to the steering wheel. I also remember going to the drive-in movies a lot. We went to see " the exorsist" at the drive- in and I don't believe we slept for months. I lived with Helen some when I was a young girl, and she will always have a special place in my heart!

“ We used to visit back and forth with the Frazier family many years ago when us kids were growing up. My sister Connie always liked to see the Fraziers coming on Sundays, because she was about the same age as Helen Sue, and they played so well together. We loved all the kids in the family; the older ones had already grown up and left home, but Helen Sue was always with her folks. We have not seen Helen Sue for many many years, but I and my sister Connie and my brother David will never forget all those kids. Their mother was our dad's first cousin (Greever Gilley). So many of our people have died; this brings a wave of sadness to us to see that Helen Sue has died. We think of all you kids often. Seems like those old days turned out to be the good old days. Our hearts and our sympathy are with you. I think Nina has one of the Gilley history books that I wrote. It has gone through several new editions since then. The next go-round, I have to put it into two volumes, because it has gotten so large. I hope soon to put the Gilley history book out on the Internet, maybe Ancestry.com or ROOTSWEB.com. Love to all.
