

Leisa Gilley

September 30, 2019

Big Stone Gap, VA

Leisa Gilley, 58, was welcomed into eternal peace with her Savior on September 30th, 2019.

Leisa's gentle heart and compassion for others lead her throughout life. This holy calling lead her to work in the field of mental health, being a listening ear and empathetic support to those in need. Leisa was a 2011 graduate of Lindsey Wilson College, earning a bachelor's degree in Counseling.

Leisa is survived by her husband, best friend and forever love, Tony Gilley. From the age of 15, they were inseparable. For 38 years, they exhibited love and grace to each other as a married couple. Their love for each other was clear to all who knew them.

Leisa is also survived by her daughter, Megan Gilley Rutherford and her son (Leisa erased the in-law part years ago), Chris Rutherford.

Leisa was a loving and doting grandmother to Izzy, Beck and Eli Rutherford.

Leisa was also a mother to every child who needed one.

It was Leisa's wishes that her funeral be a private family service and burial.

Family and friends will serve as pallbearers.

In lieu of flowers, please use the time and money spent on such things to enjoy time with loved ones. Leisa truly loved living and truly loved others. Honor her by loving one another. This obituary was written by her daughter Megan.

“ Leisa holds a special place in my heart. My first cousin and best friend growing up she protected me from bullying and taught me about kindness. We were playmates and spent a lot of time having fun and laughing together. When she met Tony, the love of her life I knew she would be his bride. Their love inspired me to find the same kind of life. She loved her family dearly and was so proud of them. She was a hard worker who took care of her Mother, Helen until her passing and I know you are both in heaven together in God's loving arms. Love and prayers to her sweet family.

“ Tony and Megan, I am so sorry to hear of Leisa's passing. I know that while you are sad, she is rejoicing in the presence of The King. Jesus said to the thief on the cross, "Today you will be with me in Paradise".

“ I had the absolute honor to have known this amazing woman. She boasted about her family at every appointment she had and I felt like I knew all of them as my own family. There was no denying that she loved life no matter how hard things got. My thoughts and prayers are with this sweet family, may God comfort each and everyone of you. I know that I will hug my family a few extra times. Thank you for being so kind to all of us at The Regional Eye Center

“ Leisa used to come and pick me up & take me to peanut cheerleading practice/games, then take me home. She would sometimes buy my Gatorades (there were 5 kids my parents were supporting), & help me paint all my signs. She really went out of her way to make sure I was able to get to practice & games, stay hydrated, & really be a part of the team for the 2 or 3 years I did it. I'm in my mid 30s

now, & I've thought about her kindness to me many, many times in my life. There's not a person among us who she didn't love and show kindness to. I thanked her several times, and I'd like to say thank you to her family for sharing your awesome person with all who knew her.

“ I had the wonderful pleasure of meeting Leisa through my bachelor program at Lindsey Wilson. Leisa was like the mother of our cohort, always lending an ear for our problems, hugging us when we were down, and just being there. My dog passed away during this time, to which Leisa immediately offered one of her pups, who we still have today...9 years later. Thank you Leisa for everything. You will be missed dearly. May your family find peace and comfort during this very hard time. Love you lady.

“ I was shocked and sad to hear Aunt Leisa passed away. I have fond memories of our large family at the holidays while growing up, Leisa was always so involved in those special days. I remember she and Tony taking us with them when they were dating, around to different places and events in town. I remember we would go walking for exercise and having great conversations for a nephew with an aunt fairly close in age. Tony and Megan you are in my thoughts and prayers. Erick Bowman.
