“ So sorry to hear about Ms.Mary. Unfortunately I had lost touch with her but I remember her fondly. When I was younger she, Curtis and their family was our neighbors.
We had some wonderful time's together.

“ Mary was my foster sister. We shared many childhood memories. Some may not know that Mary and I were tobacco farmers. We worked hard but there was time for hop scotch, jacks, tag, and hide and seek. Condolences to Mary's family. Sorry for your loss. May she Rest In Peace.

“ My heart goes out to the family. I lived this lady. She saved my life many years ago. Even though I haven't seen her in years, I never forgot her. I know that she will be greatly missed.
