“ What comes to mind when I remember my dad is his beard and tattoos. Its been years since I had seen him. And hoped that my sister and I would one day find him and get to see him again. We had searched with no luck then one day on the other end of the line it was him. We didn't get a chance to talk I still am not sure why. Its sad for me to hear the news of his passing. Maybe in another life I will get a second chance.....All my love Rena
