“ My heart goes out to Becky’s family. We were friends from grade school through high school. I left Big Stone for college, but we saw each other from time to time when I was home. She was one of my special school friends.

“ I am so sorry for your loss. My heart hurts for you. But, we know Becky is at home with Jesus in a body that will never have pain again. I am praying for comfort for all the family.

I have so many sweet childhood memories of her. I met Becky the first day of first grade in Mrs Flanary’s class at the old BSG school. We both loved Pepsi! During recess, we would buy one from the machine and then share drinks, me - her - me - her until it was gone. Our Mommas never needed to know we were sharing our germs!! Becky and I both took piano lessons from Mrs Litton in the old Touraine Apartments. Becky was good, I was not! For the piano recital one year, we played a duet of the Theme from Ben Hur. We practiced for a full year but we did it! I moved away then years later we reconnected via Facebook. With Becky’s passing I lost a forever friend, but we will meet again in heaven and then TRULY be forever friends!

“ Such a big loss in this world. Becky had a bright light that beamed from within. She is my dad's cousin. I was blessed to meet her last October when we flew in from California. Enjoyed some wonderful time together. I told Wendell that Becky was a gem. He already knew that though. Sending my heartfelt condolences and much love to everyone grieving. She truly is an angel and may she rest easy god bless!

“ I feel very sad for Becky's earthly loss but KNOW she is having a grand time celebrating in Heaven. That's what I'm thinking of right now...happy times with Becky as a friend and classmate in high school, band and church. She always a happy person, loving and kind. Wendell you were in church and Lion's Club with my Dad, Bill Tate - I know he respected you immensely. I pray for God to bless you and give you peace.

“ Becky lit up a room with her smile and laughter. She was such a caring, loving person and was beautiful inside and out! Her life reflected her love and faith in her saviour, Jesus Christ. One of my special memories of Becky was when my Dad and Wendall's Mom were in Norton Community Hospital at the same time some 25 years ago. Becky and Wendall would always come by and visit my Dad when they came to the hospital and so many times Becky would have prayer with us. She would pray the most beautiful prayers I had ever heard. She would sing "Amazing Grace" to my Dad, and tears would fill his eyes and ours too. Her voice was amazing. I know the Angels were singing at Heavens Gate when Becky arrived Sunday, because one of their sweet Angels from earth came home.

“ Wendell and family, I met Becky quite by accident years ago when I had my mom at an eye appointment in Norton. She sat across from me in the waiting room. Of course, I started to talk to her and learned that she was married to you, Wendell. What a small world. She was there waiting for the ambulance to bring her dad in for an appointment. She was such a lovely, sincere person every time I saw her over the years. I saw her quite by accident this past May outside Food City when I was up there for a visit. I knew she was not well and it was so nice to talk to her for a few minutes. I lift you and your family to God for strength and comfort as you say goodbye to Becky ... for now. Bless you, Billie Hobbs
