“ Robert was a good, family oriented man. I always looked forward to seeing him at the reunions every year. He will be truly missed and I look forward to seeing him in that reunion with our Lord and Savior Jesus Christ, along with our other family members who have passed on.

“ I am part of a privileged few who can claim Mr. Suanders as our Sunday School teacher. I know he put up with a lot, but I remember that he always showed great patience and compassion to tender, chaotic adolescent boy hearts. I am a United Methodist pastor now, and my first sermon in every church I have served has been drawn from Hebrews 12 which mentions the great cloud of witnesses. In those sermons over the years, I have been remembering Mr. Saunders as part of that crowd encouraging my running of the race, and it gives me great joy to know that he is doing the same in heaven as he did on earth. My God wrap his arms around him, brushing away all tears, while telling him 'well done good and faithful servant.'" And, may God comfort all of us who will miss him.

“ It has been a blessing to know Robert Sanders. He is one of the finest men that I have ever known in my life. He tried to help everyone that he met. He was very sweet and had a great sense of humor. The world is a better place because of him

“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.

Robert brought much joy and laughter to my life. When I hear a train whistle, I will forever think of him. My deepest condolences to my beloved family.

“ I have known Robert since I had lived in his neighborhood in the 50's, When I came to the BSG High School reunions over the years, we talked a lot about railroads. He came over to our table at the picnic last summer to say hello. We will miss seeing him
