“ Sherry, you will be greatly missed, but you will live forever in every heart you have touch while you were here on earth. I will miss seeing you standing on your front porch watering your flower, outside with your family, or just having a conversation with you whenever I saw you. If there is anything I can do for any of the Smith family during this time I'll be there for you. I have been in your world of losing a loved one and to Sherry's children I know how it feels to have your mother to go to heaven. My mother went to heaven December 28, 2004 and left me behind to miss her everyday of my life. Sherry left this world but she will never be forgotten and she will live forever in all of her love ones hearts until you meet her and your grandparents again in heaven.
