“ Regina & Derrick, I'm so very sorry for the loss of your Mother & Grandmother. She was a very special woman, & I've never met anyone quite like her. I remember at my Senior Prom, she went with me & Regina to go dress shopping, & she was the one that picked my dress out. She told me exactly what she thought about every single dress I tried on, & that made me love her even more. Besides the fact that she treated me like her own Grand-daughter, she was honest with me, & you can't ask for a better quality in someone. I also remember going grocery shopping for her very often, & I absolutely loved it. I would always volunteer to do it - It was just something I enjoyed doing for her, & truth is, I loved bringing her groceries in, & seeing that smile on her face. I would sit & talk with her for hours after I put them away - I just enjoyed her company, & I'll never forget the talks that we had. She had a heart of gold, & I will never forget her. I pray that God gives you peace & understanding during this tragic time in your lives. I love you both very much.

“ Since August 16, 1965 you are the ONE and only human that has NEVER made me doubt you loved me. Although I am so lost at this painful time in my life, I could NEVER want you or ask God Almighty for you to return to this world. Everyone who knew you knows you are a one and only and no doubt you deserve a high seat and royal crown in heaven. I will hold onto your strength and spirit because my only goal in life now is to see your beautiful smile, May you rest in peace until I see you again and I love you more than life itself.
Your Loving Daughter Gina
