“ My favorite memories of Aunt Annie was when she would come and get me to spend nights with Brenda. Also, I had the priviledge of eating a many a meal with the whole family seated around the table. There was no wandering off watching tv and eating. She is the one that always fixed cucumbers and onions in vinegar and I still love them to this day. I visited her often in past couple months in the nursing home and I always talked to her about Mommy, Jimmy, Brenda and Junior. She would smile and say something but did not know what I was saying, deep in her mind I wonder if she did remember some things. Last time I visited her was couple weeks ago and she was just laying there with no expressions on her face and I realized that it was getting time for to leave. She was a wonderful person and will be greatly missed. I can only say that what helps is knowing where she is. That is what helps me with missing Mommy. Love and prayers to all the family!!!!

My best friend in the world, Jackie was a part of this wonderful family. I have so many fun memories of being at her house and her mom cooking dinner and Mrs. Swiney was the first place I ever ate cabbage rolls! She was always so nice to me and I am thankful to have known many members of this family. I pray God's arms wrapped around this precious family!
