Ann was a special person...she loved deeply, and once a friend, always a friend.

She was like a sister to me, and a close friend when I was going thru

a bad time in my life.

She will be missed.

“*Anna was a true gem. She had a heart of gold and will truly be missed. Anna was always trying to help others even when she wasn't feeling well herself. She never missed an opportunity to say hello when I would see her. She was always asking about my family. Many prayers of comfort for her family.*
