“ I remember going to Chatsworth with Chuck, and his family. Met Teddy and Debbie, Jessica and Derrick. He will be missed by myself and my family also. He was a Great guy he Loved his family with his whole heart. I may sound like special person but I could think of what he told me then. You have to Love with 100 percent of your heart your family should get 75% job a and food get 10% the rest is for God.

“ *I only met Teddy once but sometimes you do not need to know a person directly to know who they are. With Teddy you could tell by the way his children loved & respected him, how his wife adored him, that he was an awesome person. Someone I wish I could have been around more & known better. Teddy will be missed by all. He and his family are in our hearts.*
