“ *We were shocked to hear about Dick passing. He worked for my elderly mom and dad. He was doing a major overhaul on their floors when my parents both got covid and both was put in 2 different hospitals. Dick and his crew went above and be on to do what they could do to work around all this and get their house back together. He called to check on the they often. He came to do a job and left a friend. Prayers for your family and his friends. He was a kind and caring man.*
