“ *Audrey, I will truly miss you. You were always so much fun. I remember when I was a little boy and you took care of me in Delray Beach. You use to play a game with us called "Hide the Thimble" & gave us bologna & ketchup sandwiches (which we loved). We had some wonderful memories. I enjoyed our many conversations on the phone all these years. We love you and will miss you. RIP Audrey!*

“ *Aunt Audrey was one of the coolest women that I have ever known. She was always so much fun, always laughing and enjoying life. I remember visiting her as a kid, and being absolutley fascinated with her magnet collection. I thought that was the coolest thing! I also will never forget the last time that she came to Florida and we all sat on the floor in my Mom and Dad's family room and talked and laughed for hours. I loved spending time with her because she reminded me so much of my Grandma (her sister Juanita). I always felt closer to my Grandma when I was with Aunt Audrey. She was always such a genuinely real person. What you saw was what you got, and the best thing was that what you got was one awesome lady. We will all miss her greatly. Love, Alison*

“ *Audrey was always a favorite of mine to visit in Virginia. She always made you feel so welcome. The first time I met her she had three little baby boys in diapers. She was always so happy to have little ones under foot. My girls loved to go to her house when we would visit in the summer because she took so much time with them. The love of her life was her children and her many grandchildren. We all loved Audrey and will truly miss her. Our thoughts and prayers are with her family. Rest In Peace Audrey! Love, Crystal*
