“ I'm sad to hear of my Aunt Barbara's passing and so soon after my Mom's passing. My Aunt and grandparents babysat me until I entered school after my Dad passed away and Mom had to work to provide for us.

Barbara was a hard worker and good southern cook who always kept a pot of beans and cornbread on the stove to feed all the family visiting. She would give us kids Reece cups. She took care of my grandparents until they passed and helped her brother Glenn until he married. She worked at the Bread and Chicken House in Big Stone Gap and my Mom and I would eat there often and visit with her. Her sisters were always looking out for their little sister and now she can join the entire Phipps family in God's loving arms. Prayers for her family.
