“ So sorry to hear of Barry's passing. We are first cousins, our families used to visit quiet often. Since our parents passed away, we haven't seen each other as often, but we remember all the good times our families spent together either in Dunbar or Tazewell. The Mosier family has been one of the most comical and fun-loving families that I have ever known. I miss them and think of them often. Please know that our hearts and prayers are with you at this difficult time.
