Kisses and hugs, pickled vegetables, coffee in her favorite mug, 7up salad, her smile, culottes, home engineering of storage bins, her love, her prayers, her advice, her loving on my boys, and her Godly example. “ To the family of one of the most precious women we know. No mater what we needed "fixing", she had the time and expertise to do it. She would never turn anybody down!! We had a bag of things in our car for her when she went home to Heaven!!! She was one of the finest people we've ever known!! We love you Betty and will miss you!!

“ I will always remember the conversations that we had about the Lord. When we went to her Birthday party after Bobby Cress passed we were so Blessed by the song she sung. It was suppose to be a tribute to her, but she was the blessing ! She was loved and will be missed !

“ Aunt Betty always made pork, green beans and potatoes, my favorite. I try but just don't taste the same. She also fixed a mason jar of tomatoes when I had a sore throat. I will never forget the things you did for me when I was a kid. They are wonderful memories.
