“ Mrs. Bobrosky was such a kind lady. I am one of Roy and Lucille Hammons' (of Keokee) granddaughters, and they knew both Paul and Beulah. I recall that they always seemed to have a smile on their faces and a kind word to offer. Definitely blessed by having known them.

“ My husband John and I first met Beulah and her husband Paul in 2001. What a wonderful meeting and to find she was relation of sorts! She shared many memories and even handwritten letters from John's dad, Tom, from several years before! We appreciate who she was and all that she did for the community and to preserve the history of the folks and happenings in the area. She holds a special place in our hearts. May the memories you have of her bring a lot of warmth to your hearts. Cathie Clark
