“ *Regina and family, I am so sorry to hear this sad news. Spencer and I were talking about you all a few weeks ago. Spencer and Chandler have great memories of you all: playing at your house with Ashley and Billy. I remember Bill picking lettuce and onions from his garden for me and showing me his garden which he was so proud. We love you all*

“ He was the best brother, and uncle to my children. He carried me on his back when I was younger due to arthritis in my legs that prevented me from walking. He helped my family anytime we needed anything. And I mean anything. I will miss him more than words can describe and my heart is heavy with regrets and I feel so lost without him. I know that you are with God. I love you and will forever miss you, until we meet again big brother.
