“ *I was talking the other day with Shirley about Tootie and this happens. He would come looking for me when I would come home to visit. We had a great time riding in his old car. We had a great time hunting, going to carnivals and just hanging out. He came from a great family. Big Stone is really going to miss him because there was only one Tootie and there never will be another. You couldn't be with Tootie and then leave and not feel good. He was someone that made you feel better. He is the only person I know who could remember every joke and could tell them all day long. Rest in peace Tootie and I know you will brighten heaven up with friendship and laughter.*

*We love you buddy !!!!

“ I was in shock when I heard of Bobby's death Friday night. He had been such a dear friend to my husband Jim (whom I lost in 2011) and had stayed in touch with me quite often, asking if there was anything he could. We talked about everyone in Cadet and from there, and he knew them all. He always ask about my brother Jimmy and my sister Shirley. He always had a smile and was so kind. I will miss him very much and I want the family, his brothers and Brenda to know that they have my thoughts and prayers. Emma Johnson, Blountville, TN

“ I only knew Bobby for 1.5 years but in that time brought so much love an happiness to my Mom an boys. Oh how he loved my boys. He would always bring my 2.5 year old keys, Popsicles, milkshakes an more. He was always asking how my boys were an prayed for me when I had my 3 month old. But most of all he definitely kept my mommy busy. I'm praying for the family and mom. This is rough, may God be with you all in this time of need.
