“ Bruce has been in my life for 66 years! I was always at Aunt Georgia’s and Uncle Eb’s when I was a kid! I was the annoying Cousin that Bruce, being 9 years older than me, put up with and loved! Our families were always together and close! When he left home, the only times I got to see him was on his visits home! He always made time to visit Uncle Paul and Aunt Maurine! I later years, we had a lot of great times in the tobacco barn grading tobacco! He made me laugh so many times! Patsy, Roger, Sandy and Alan, you are in my thoughts and prayers! I love you all. Rest In Peace Dear Cousin! I’ve always loved you and always will

“ As first cousins we grew up on the same farm, always together. As adults many of us gravitated back to make homes, always together. I feel blessed to have a plethora of beautiful memories made with Bruce. We will miss his unique sense of humor, his wonderful smile & his companionship. I have loads of funny & sweet memories of when he helped GiB & me babysit our grandchildren! I’m grateful for the love we shared.

“ *I attended school at Flatwoods along side Brue for twelve years. I had not seen him after graduation from high school until we both attended the Flatwoods High School class reunion this year in May. Bruce and I were the only two from our class. He still had the friendly smiling face, and great personality. He kept my wife and I entertained throughout the ceremony. We will miss seeing him again next year. Our thoughts and prayers are with the family.*
