“ *Calverne is my oldest brother, whom I love a lot! He was someone who cared for anybody, whatever their situation. He encouraged me often by his help when I needed it. I will miss him greatly, but I know his faith in our Lord & Saviour Jesus Christ has provided him with eternal life in Heaven. I'm looking forward to seeing Calverne again!*

Calverne was my dear brother in law. He was a great support to my husband , his brother, John. While John was young he helped him through some very difficult times. As John grew up he turned to Calverne for advice and support. Now John is in memory care and Calverne was a huge support to both John and me. I will miss being able to talk to him on the phone and sharing pictures of our flowers. We shared our faith in God and love of family. It will be a happy reunion when we are all in heaven with our Lord and Savior.
