“ *I will always remember how Ms. Osborne made me feel so welcome and loved from the very first time I visited her at her home, she would make sure you ate and had something to drink, and mostly she made sure you knew you were loved, I remember thinking how selfless and kind she was, making sure everyone around her was ok and just the way she made me feel at home, like I was part of her family, she will be deeply missed*

“ *I had many fun times with Floss and Peanut when we were young kids I am so sad to hear of her passing. I remember one special memory - her mother was going to put new wallpaper up and Floss decided we should write and draw pictures on the old because it would be covered up. We thought we were so grown up doing such things!* ”

“ Aunt Floss had the biggest heart. She would literally give you her last penny. Growing up, spent a lot of time with her and Linda Gay. She was always good to me, and my 5 siblings. Her brother (my dad) Randy Dorton, loved spending time with her...she could make him laugh with just a look. He always said "Flossie" had the best turn to her, despite life's adversities. Big Brother is with you now Aunt Flossie, rest easy. Cynthia Dorton Dudley
