“ *He was our father and we loved him...He was young at heart and loved life. His life was cut short. He suffered injuries from a fall from a tree accident and i guess his heart could not take anymore. Dad rest in please.*

“ *He was like a father to me and I loved him the same. He was always there to give advice or just a hug. He will always hold a very special place in my heart. He will be truly missed and has always been deeply loved.*
