“ BJ, My dearest friend you were an inspiration in my life. More than a friend you were a brother and I will forever cherish the days of the music we played and always be grateful for providing me with a place to stay when times were hard.

“ Charles was a good student and a friend. He was the one that came to my aid when I had an episode in lab-- very caring. Death took him away at a very tender age. May his good soul rest in peace--- I will miss him.

“ B.J. was very dear to me. He was my light when I needed it the most. I only wish that I could have been the same for him. He was a wonderful person with a huge heart. The world looks a little darker just in knowing that he is no longer in it. Many have suffered a terrible loss and my heart is with you all. B.J. will walk through life with me, every day, in my heart.

“ BJ...You were a kind, caring, gentle soul. My son, Brad Huntley, was lucky to have met and had you as a friend during our 3-4 years in Big Stone. You welcomed us Big Stone Gap "newcomers" and left a huge impression in our hearts. You were another "big brother" to Zach. I never forgot you...still have you in my contact list on my phone. Our hearts are breaking even as I know you are at peace and your days will forever be filled with light.

“ I have meet many people over the course of my life. But very few more memorable or irreplaceable than BJ. He always wore a smile and it was impossible not to smile when he was around. He always brought laughter, joy, and a warmth that you rarely find in this world. I will always be thankful for having meet BJ.
