“  *To our home girl, "Cynth-Ann", God Speed! We grew up together in Derby and so many memories are invoked from our time spent there. Our formative years were not always fun or glamorous, but we certainly had our share of good times. Cynthia was always spunky, feisty, and insisted on the last word. Our prayers go out to the her family and hope that the many memories that she inspired will comfort and console during this difficult time.*
