“ I remember when Michelle and Dwaine lived up on the hill in Virginia Dana would run out there jump up in uncle Mike’s arms when he would come she’d pass me right up just to go to him. And every Friday when he come over, she would’ve asked him for a blue slush puppy and blue gum. I will never forget that we love you, Dana with all of our hearts.

“ Michelle I'm so sorry to hear this, I have many memories of being little that have Danna in them. I know there's nothing anyone can say to ease your hurt, the best thing to do is keep talking about her, remember all the good times, her silly personality, that will keep her memory alive for you!
