“ I am shocked to hear of her passing. She was my best friend all through school. We stayed all night with each other throughout the summers and always got into some meanness every now and again. You know how teens were back in the day in Big Stone, lol. I loved her she was a great friend to me, she stuck by me when I needed saving. God love her soul, she will be greatly missed I am sure, to young. I will always think of you and love ya girl.. your friend always. Mary Estep.

“ Chandler Family:

So sorry to hear of Debra's passing. She was always a blessing to me when I worked as a RN at the dialysis center in Norton. Ironically, I was just last week admiring a paper angel on my hutch that she hand made and gave to me last year at Christmas. She made one for every employee there. She was also kind enough to bring her delicious homemade pies for us to share. Although she will be missed, through God's word we are told we have the opportunity to see our loved ones again one day. May you find comfort in the good memories with her and The Word of God.
