“ Donna was such a big part of my family throughout my entire life. I will always remember her beautiful smile, kind, loving heart, and big infectious laugh. When I was just a teenager, I remember her singing in church. She had the complete attention of the congregation when she sang "In The Garden". It was requested that she sing it many times. Donna touched many people throughout her journey on earth but I am happy to know that she is happy, healthy, and at peace singing in the Lord's garden now. He is walking with her and talking with her and my, I can just hear those birds singing! Donna, I can hear you singing too!
