“ So sorry and know she will be truly missed. “Granny Doralee” was a character. We loved her so much and she always let us know how much she loved us and appreciated everything that we did for her! She has always told us stories that would make us laugh until we cried. She adored her family and friends. I know she is celebrating and we will miss her..... I also know, we have a promise that we will see her again!! So happy to have had her in our lives for so long! Love and prayers for peace and comfort!
