“ *Mom,
I think of you constantly. When my eyes open in the morning guess who is the first person I think of YOU. When I close my eyes at night guess who is the last person I think of YOU. You are truly an angel mom and I love and miss you so much. My only peace is that you are no longer suffering. Mom I know you are gathered around that throne with all the other sweet angels. I long to see you one day and I know you now have the eternal peace that you never had in this hard world. Now mom I know you are resting high on that mountain. I hope you know we took the best care of you that we knew how to do and I'm forever grateful for you.*

I love you!!!!

“ I will miss Doris she was my best friend when we lived in Andover. We loved sitting on the porch in Andover and going to the Andover church so many memories. I remember when the Honeycutt family came to Andover from West Virginia when they moved the saw mill to Appalachia and she met Elmo and I met my beloved husband Joe. So many good memories. Love you
