“ Doug was a good friend of mine and a I will miss him very much. The times I spent in his game room with a bunch of us was some of the best memories of my life. We had a good time and a lot of laughs in that game room and Doug was always right in the middle of everything. He and I spent a lot of time together outside of that game room and we had a lot of really great talks. I hadn't seen him much after he move to Big Stone but I thought about him often.

“ Doug was one of a kind. He always had a caring heart. Not a time went by when I was on a graveside at PVMG that Doug didn't ask about how my wife, Beth, was doing. He will be greatly missed!

“ So sorry Joyce to hear of Dougs passing. My 1980 classmate and teammate, who was the hardest hitter on our football team. I will always cherish the memories of our younger years and regret not keeping in touch as much as I should have. May God bless you and your family through these tough times.
