“ *I knew Mrs. William since elementary school. She was one of the housekeeping staff at the Big Stone Gap Elementary School where I attended. She and her husband worked there. They were always friendly and nice to us. She remained a friend all my life. I am praying for her family. I know she is will be missed.*

“ *To my Grandmother,*

Mamaw Williams we all miss you and love very much. We all hope to see you once again soon. Sorry I wasnt there when you needed me most if I had know the situation I would have been there by your side. Just remember that I love you and Im grateful that you are with our grandfather again. We know that you have missed papaw very much and wished nothing than to be with him once more. Now you have the peace and rest that you deserve now and your life partner is there with you never to leave you for eternity. Although we didn't want you leaving us, we would rather know that you are some place happy and looking down at all of us. We love you R.I.P, David
