“ *Paula and Children: We are so sorry for the passing of Bub. Just
trust in Jesus to get you all through these trying times. I remember
how after the twins were born that you and Bub would bring them to
my house a lot and at Christmas to have dinner with us. Those were
things you don't forget and will stay with me forever. I am praying for
you all and love you all very much.*

“ I am so sorry for the loss of BUB, it is amazing how that years go by without seeing old friends and when something so tragic happens the memories of growing up together flood your mind taking the place of every other thought. That is what a good friendship does. That is the power of a friend. I hope you can see that there is a friend that sticketh closer than a brother and that is our Lord and Savior Jesus Christ. He truly is the only one that can help you all in such a difficult time. I have been praying for each one of you by name and will continue to do so. May GOD help you .
Sincerely
Darrell

“ So sorry to hear of Bub's passing. We were born 4 days apart and were neighbors in our "baby years" and our parents were close friends. I didn't get to REALLY get to know "Bubby" 'til our high school years. He was such a GREAT guy and a good friend! My prayers and heart go out to the family. Heaven gained an ANGEL with Mr. Hartley. RIP brother!

“ I was very saddened to hear of your recent loss and would like to express my sincere condolences to the Hartley Family. As a child, I grew in the house beside Mr And Mrs Ivy Lee. Bubby, I and all the other "Dante" kids use to play together. May your memories give you peace and comfort during this time of sorrow. Bubby was one of the great ones!
