“ Kent has loved this man from the time he met him. They worked side by side, Through drastic roller skating accidents, to the birth of our Sarah Grace. So thankful that he was so happy and good when we saw him last year in his birthday. He and Jeris double dates to some concerts and it was always a good time. We love you Ed. Your memory will live through our family and all your Friendly Center Tire family.

Ed and Jeris were true examples of followers of the Lord. We have many fond memories of times spend with them as we were neighbors in Duffield. May God comfort each of you during this time. Jane and Don Carter
