“ *Aunt Stell, as we affectionately called her will always be a fond memory in my heart and mind...I remember listening to her play that piano as a little girl and singing like no one else...I remember her strong hand of discipline in the community and the love she showed to each one of us. As we think of you, you will forever be a light shining bright in each of our hearts...Rest in peace Aunt Stell. I will forever hear you saying to me, "you are Luvenia's girl!"*

“ *Ms. Estelle was the ultimate and consummate Church Lady in the truest meaning of the word. Her singing voice was legendary throughout the region and although many have been dubbed the Songbird of the South, Ms. Estelle had a voice that was one of the most beautiful and melodious in this area. Her rendition of "Last Mile of the Way" at my daddy's funeral will always live in my memory. Thank you, Ms. Estelle for your beautiful Christian walk that set an example for all of us who knew you. Godspeed!*

“ I loved this angel of mercy. When she worked at the Big Stone Clinic, she always wore her crisp uniforms and cap...no one else did. Her uniforms always looked like they were starched and ironed in a generation when we did neither. She worked with Dr. Balu in the pediatric side and maybe because of her size, but the kids did as told.
