“ *Flora Mae Patterson was an incredible God fearing woman and a staple in the Big Stone Gap community. She was a second mother to a lot of us kids that grew up in the Italy Bottom neighborhood as our school bus driver and will always be remembered and appreciated as such. I have too many great memories and lessons from her to count and her memory will live forever. Sending my deepest condolences to her family and friends in mourning. Rest in paradise Mrs. Patterson.* ❤️🙏🕊️

“ I was so grieved to hear of Flo's death. She was a special person.
My husband and I loved her so much. We have such sweet
memories of her and our years at First Assembly in Big Stone Gap.
We loved to hear her sing. No one could sing like Flo. I did not know
she was sick or I would have come to visit. I will be praying for
Johnny and her sons.
