“ Oh Freda, my sweet friend. . What does one say at a time like this? You always treated me with kindness and I always looked forward to our get togethers when I came in. .I knew you were very sick the last couple of years and I could tell you were getting very tired. .I am so happy that you are in a better place that knows no suffering or strife. .However those of us, who's lives you have touched, will miss you as we complete our last act of love for you and grieve. . Enjoy your eternal rest, sweet lady. . Dave Williams
