“ My favorite memories of Gary: The bald spot he made on the back of his head as a tiny tot from rocking back & forth; the way he gathered Gloria & me in his arms & what he said to calm us down when we were told our mother died; his sense of humor, his smile, a sweet & funny letter he wrote to me & Gib.

We loved Gary & it won't be the same down in the cedars without him.

Love to cousins who are like siblings.
