“ My thoughts and prayers are with you all! I will truly miss "G" or "Legend" as I called him! Like so many others, I have so many great memories that I will cherish! He always said I was " A couple of fries short of my Happy Meal", I had to include that phrase because that was George...most of you will understand. He was funny, generous, serious at times, but most of all, a true friend, a brother...for life
