“ I am so sorry to hear of Glen's passing. My family grew up with Glen and his family. Us kids had the best times playing games outside until dark. We'd play Kick the can, red rover, dodge ball and man that ball hurt when you got hit with it, and a lot of other games. Great memories that I've carried throughout my lifetime. My prayers are with all the family. RIP Glen, we will see you again. That is God's promise to us if we serve Him. 🕊️🙏🙏
