“ I just wanted to say that we miss Butch at LPH, he always made us laugh and sometimes laugh until we cried. I feel his spirit in the hallways here and we will never forget our special friend. He was always ready and willing to stand up for what was right. I will be praying for your family and I know that GOD will give you the Peace you need to go on and cherish his memory. “ *Butch was my husband's most treasured friend. During Bill's illness Butch called him frequently and came to visit in 2012 during the last weeks of Bill's life. Butch and Bill had many adventures together once their lives came together in the early 1990s over their shared radiology experiences-trips to NY, Chicago, Florida and our time at the beach. Butch will always have a special place in my families' hearts because of the way he related to Bill.*

*I am so sorry for you loss and know that you will miss him dearly but will have many wonderful memories to help you through the hard times without him.*
