“ I have alot of wonderful memories of my papaw Grover. Papaw would pick me up on Friday evening after school and I would spend the weekend with him and mamaw. We would go to the flea market in Pennington where we set up a stand and it's funny I don't remember us selling anything. We just laughed and socialized with other people the whole time we were there. I am sure gonna miss you papaw but I am so thankful for all the wonderful memories I have!
