“ *Uncle Nut, I will miss you but I have so many good memories of you that I will cherish in my heart. I found myself grieving as I heard the news you'd passed on then I stopped to celebrate the fact that you're are out of this cruel world and reunited with mommy, uncle Johnnie, mamaw and papaw and all the others that has gone before you. I can see you with both your legs running into their arms with that crooked smile! I love you and will say goodbye until we meet again.*
