Lillie G. Ulrich - October 12, 2015 at 09:29 PM

“ *Holly was a very special person. I have known her since 1975, when I started working at Emperor Clock Co with her. We shared many good times together, some sorrows, but mostly a friendship that lasted even though we didn't see each other often in the later years. When we talked, we just picked up where we left off. I will miss her. My prayers go out to her family.*
