

HOWARD DANNY STACY

June 14, 1945 - October 13, 2025

HOWARD DANNY STACY - of APPLACHIA VIRGINIA

Howard Danny Stacy, age 80, passed away on Tuesday, October 13, 2025, at Indian Path Hospital.

Danny was born in Charleston, West Virginia, the son of the late Cecil and Ollie Stacy. He was a kind and generous man, always willing to lend a hand to anyone in need without expecting anything in return. His giving nature and warm heart left a lasting impact on all who knew him.

Danny dedicated most of his life to the lumber business, working as a sawmill operator. He was married to the love of his life, Betty Stacy, for 55 years, and together they built a life full of love, commitment, and family.

In addition to his parents, he was preceded in death by his beloved wife, Betty Stacy; sisters Donna Seabolt and Sue Starnes; and brothers Roger Stacy and Leroy Stacy.

He is survived by his son, Daniel Stacy of Kingsport; two grandchildren, Karter and Brody; and several nieces, nephews, and other close relatives and friends.

A graveside service will be held on Friday, October 17, 2025, at 1:00 p.m. at Powell Valley Memorial Gardens, officiated by John Britton.

Family and friends who wish to attend are asked to meet at the funeral home at 12:30 p.m. for his horse drawn funeral procession to the cemetery.

Pallbearers will be family and friends.

You may view the obituary, sign the guest registry, or leave a condolence for the family at:

“ We were so sorry to hear about Danny’s passing. Our Dad, DJ Crum, worked many years with Danny and Roger at the sawmill and often reminisced about the good times they shared. Our prayers are with your family at this difficult time.

*Prayers and Peace,
Teresa & Charlie Barnett
Ronnie Crum

“ Heartfelt condolences to Daniel and the entire Stacy family. My family has lived near him for decades and you could not have asked for a better neighbor or friend. He worked hard to provide for his family. In retirement, he worked tirelessly to take care of his home and property and offered to help others when possible. He only asked for assistance when his health declined and his pain was too great to do it on his own. He expressed his frustration with not being able to "piddle around" outside because of his illness. He was thankful for the help and always offered to return the favor. We already miss him!

*Take comfort in knowing he is no longer suffering and he is reunited with Betty and all of his loved ones.
May his final rest be peaceful.*
