My most memorable memory of Sue and Bob is when I "ran away" from home when I was a teenager. I walked there from Darnell Town to Rawhide at midnight and didn't even call first. Sue and Bob were very receptive and let me stay until I was ready to go back. Then they drove me home. How many people would have got up out of bed and received me so graciously? I am so grateful that God put such a loving couple in our midst to help guide so many people. Love your family. Jamey Estep

“ I have fond memories of Sue. From the time she and her family moved to Rawhide she became a friend. I spent many days at her house with Liz. She treated myself and many other kids in Rawhide as her own. She will forever be in many good memories. Praying for Bob, Liz and Bruce. Love you all.
