“ Jane was not just my Sister-in-law, she was my Sister (Sissy), Friend, Confidant, Morale lifter and much much more. All you had to do was pick up the phone and call her, and the 1st thing she would say is, "you okay, what you need, I'm there".

She was one of a kind, and there is now a huge hole in the hearts of everyone she met, encountered, knew, and loved.

To know her was to love her. She had a passion for cooking, eating, laughing, looking out for and taking care of her friends and family.

She cherished and LOVED her family to the fullest extent that any human being could

She was the glue that kept us all together. She enjoyed planning family reunions, and she did not need any excuse or reason to encourage us all to get together and fellowship.

I can hear her in my ear, saying what she always said, "keep in touch with your people, you got to check on one another, and make sure everyone is doing okay".

I love you JANE, and I will NEVER forget you my forever SISTER

Rest now, study war no more, run, breathe and fly high, you've earned that peace

“ Our hearts are broken and shattered after learning of the passing of our dear friend, Jane. No matter where you saw Ms. Jane, she was always the smiling, friendly, genuine, person that never failed to tell you how much she loved you. We will miss her gentle personality, her loving graciousness, and her genuine love of people. All of us that knew and loved Ms. Jane is mourning her today, but Heaven is rejoicing after gaining a true angel. To the entire family, please know that our thoughts and prayers are with you and we are available to you at any time now and in the future. God bless and keep you through this difficult time.

“ Raymond, Antwaine, Felicia and Hollinger family. This is a very difficult time that we find ourselves having to deal with. God toughed dear Jane and bought her home to dwell with him forever. Although we grieve her physical presence, she is but a thought away because she will always be in our thoughts and hearts. Once the grieving and deep lose passes, you will remember her voice, her smile, her laughter and everything about her will bring joy to our hearts. I leave this thought with you. Some souls pass through this lifetime like a gentle summer rain. Jane touched our hearts and returned to heaven again. Even as we mourn her loss, we know within our hearts that those we love are never really gone. As this earthly life has come to her seasons end and her work on this earth is done. Jane's soul goes forth and journeys on to begin a new journey. Rest peacefully now Jane, we all will miss you dearly and love you forever
